

# OUR EXPERTISE

---

Mountain Management's *Home Manager* program delivers home care to owners whose sole interest is their personal enjoyment of their home. In addition to home care, for owners who desire the benefits of rental income to offset some of their costs, we provide a comprehensive rental management program, *Rental Manager*. Our advisory and administrative services are available to all our homeowners.

## Mountain Management's *Home Manager* program

Owning a beautiful Colorado luxury vacation home is a privilege enjoyed by an exclusive set of individuals. *Home Manager* delivers tailored solutions for home care to a select group of premier homes to include maintenance, housekeeping, concierge and friends & family guest management services.

### *Home Manager Housekeeping*

Consistently provides luxury hotel standards of service, including: daily, weekly & departure cleans, as well as annual property rejuvenation.

### *Home Manager Maintenance*

Will regularly inspect the home, respond to call outs & alarms, perform repairs and preventative care, arrange vehicle care, and is available to assist with any larger projects that are needed.

### *Home Manager Concierge*

Inspects & prepares your home pre-arrival so that it is ready and waiting exactly the way you like it when you arrive; tends to all requests, including: grocery shopping, lift ticket orders & collection, restaurant & activity reservations; if you can imagine it, we can make it happen.

Everything looks so nice in the unit!
